Seminar Topics

We have added something new this year, based on comments and requests from SIU investigators. In addition to the fraud recognition seminar topics offer for all attendees, we will also be offering advanced fraud topics tailored specifically for SIU investigators, SIU analysts, and law enforcement investigators.

Consumer Protection, Michael Johnston, Attorney

Home Owners and Hail Claims, Janet Colaneri, Attorney & Tim Marshall, Haag Engineering

Examination under Oath, Chad Gauntt, Attorney

Current Trends in Auto Theft, Tommy Reed, NICB

Auto Lock Analysis, Scott Palmer, Injury Sciences

Fraud Litigation, Michael Parker, Attorney

Intelligence Collection and Analyst, Andrew Marane, Analyst Consultant

Detecting Deception in an Interview, Chad Gauntt, Attorney & Geoffrey Blinney, Attorney

Low Speed Impacts Accidents, Steve Dines, ARCCA

Chiropractic Trends, Testing and Treatment, Dr. Bill Timberlake, DC

Current Issues in Workman' Compensation Fraud, Stuart Colburn, Attorney

Advanced Level

Cargo Theft, Jerry Allen, NICB

Advanced Arson Investigation, Mark Howell, AIC-Fire

Attorney Chiropractic Debate, David Kassabian, Attorney & Larry Laurent, Attorney

Civil vs. Criminal Cases, Kyson Johnson, Dallas Co. DA & Lisa Songy, Attorney

Keynote Speaker

Keynote Speaker will be announced when scheduling is confirmed.

Our Purpose

To provide education and training for insurance and government investigators; to develop a greater awareness of insurance fraud through education and training; and to encourage high professional standards of conduct among insurance investigators through education and training.

C.E. Credits

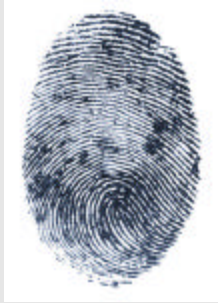

- Texas Department of Insurance
- Texas Commission on Law Enforcement Officers Standards and Education
- P.I. through TX Commission on Private Security
